District Commander 2012-2013

D/C Donald Parrish, SN Venice

donandsusanp@msn.com

941-408-8591

Talk about coming up in the world, September Governing Board in Detroit sure did that for me. It was the first time I've ever slept on the 68th floor anywhere.

Visiting the GM Renaissance Center and staying at the Marriott was just one super exciting day after another. All the meetings and seminars aside, the real enjoyment was sharing some quality time with our member friends from D22 and from other USPS districts. The Commander's hospitality suite was only made possible by the gracious efforts of our D22 member attendees. Thanks so very much to each and all of the volunteer helpers.

Then, after Governing Board, we were back together in Sarasota for the D22 Fall Conference. What a treat it was to have two national Vice Commanders in attendance; V/C Bob Brandenstein, SN and V/C Louie Ojeda, SN and their wives Jane and Dorothy made this Conference a most memorable event. Many of our squadrons and individual members received recognition with awards for their accomplishments in all areas of District and USPS operations. The "CAMALOT" theme night gave us all the chance to ponder the question, "If ever I would leave you". Congratulations once again to each and all for the dedication to purpose and service in making this a very special and enjoyable conference.

After all the above, the CIRCUS came to our Fall District C & R at the Burnt Store Marina with a bevy of clowns that staggered the imagination. Many members arrived by boat and others just floated in on iron dinghies. There were numerous games to test our skill dexterity and nautical knowledge. Levity and frivolity were the passwords that would get you a good dose of comradery. The attendance was fantastic and all of our thanks and praise go to the host, co-host and assistant squadrons that made for a really great week-end.

The USPS 100th Anniversary is fast approaching and this will be a once in a lifetime celebration for our organization and our membership. Let's get with the excitement and make 2013 -2014 a banner year for the United States Power Squadrons and for all of our members. MEMBERSHIP truly is and always has been JOB # ONE !

EXECUTIVE OFFICER

D/Lt/C George Musco, AP

gjmclm@comcast.net

The District Cruise & Rendezvous held at Burnt Store Marina in November, hosted by Sarasota Power and Sail, with co-hosts Peace River, San Carlos Bay, and Anna Maria Island was a real "Circus!" I was a little nervous being surrounded by a bunch of "clowns", ever vigilante, looking for that expected pie in the face. Thank you, for this fine combined effort, making it a perfect weekend for all who attended.

Carol and I attended three wonderful squadron events in December. The Anna Maria Island Sail & Power Squadron's Anniversary Dinner on, 1 December, at the Key Royale Club on Holmes Beach, which featured a very funny Barbershop Quartet and visit by Santa Claus, who by the way presented me with a bag of coal. Perhaps it was my singing of the Christmas Carols! On 2 December, Sanibel-Captiva Sail & Power Squadron held their Annual Holiday Charter Party at the Kelly Greens Golf & Country Club. Santa didn't attend, but "Dean Martin" and "Marilyn Monroe" showed up to entertain us, much to the relief of Carol who didn't have to suffer my singing two nights in a row. My own squadron, Peace River Sail & Power Squadron held their Holiday Dinner Meeting on 16 December with music, dancing, a sing-a-long, and a visit by Santa, and I must have been in tune because no bag of coal this time.

I want to thank Commander Susan Lomastro, AP and the Sarasota Power & Sail Squadron for the use of their building so we could hold the Squadron Bridge Officer Training Seminar, on 8 December, in a centralized location. Our excellent Instructor P/R/C Connie Beckman, N, and our Host and Hostess, P/D/C Robert Barber, SN and DEO

Margaret Barber, N, deserve special thanks for putting together this annual training session. Forty-three members attended in Sarasota and a first for our District: a "Skype" broadcast, involving the Crystal River Squadron and their Bridge Officers. With the distribution of class material in advance, it seemed to work well, and may be used again in the future.

Carol and I are planning to attend every squadron's 2013 Change of Watch during January, February, and March. We also attended the National USPS Annual Meeting in Jacksonville. Next up is the District 22 Spring Conference and District Change of Watch, at the Sarasota Hyatt 12-14 April. The cut-off date for the special D22 room rate is 18 March so please don't wait to book your room. Commanders, please remind your members that a District Conference isn't just for squadron officers, that every district member is invited, and especially your committee chairs that may be your squadron's future bridge.

On Saturday, 23 February, an Advanced DB2000 Training Seminar is scheduled for all members who have at least a working knowledge of the program, at the Sarasota Power & Sail Squadron building. The class is 1000 to 1500, with sign-in at 0930. The registration deadline is Wednesday, 20 February, and the cost is \$10.00 a person, which covers morning coffee, Danish, and lunch. Please send your check to Margaret Barber, 4844 Wood Pointe Way, Sarasota, FL 34233-3526.

District Secretary Carol Musco reminds all squadron editors that if you choose to print the Beacon in your squadron newsletters, to print it full size so your members can easily access the information and any event registration forms.

As usual, please check our District Web Site www.usps.org/localusps/d22 for information on all District coming events.

Grand Hyatt

3-6 October 2013 D/22 Fall Conference

EDUCATION OFFICER

D/Lt/C Margaret Barber, N

lmbrdb1@verizon.net

CHARLES F. CHAPMAN AWARD FOR EXCELLENCE IN TEACHING

The Charles F. Chapman Award for Excellence in Teaching recognizes outstanding USPS instructors. Once a year, each squadron in the United States Power Squadrons nominates one outstanding instructor to its district. The District Educational Officer forms a committee to select one nominee within their district for national judging. In the final judging, the Chapman Award Selection Group of the Instructor Development Committee recognizes the five winners who represent the organization's most effective volunteer instructors. The District candidate for 2012 was Harold (Nick) Howard of the Peace River Sail and Power Squadron. Nick is one of the five National Winners of the Charles F. Chapman Awards for Excellence in Teaching and will receive the award at the USPS Annual Meeting in Jacksonville. Please try to attend the meeting and support Nick and the District.

USPS PARTNERS WITH TRAWLER FEST IN FORT LAUDERDALE

USPS will again be present at the Trawler Fest - Ft Lauderdale event (29 Jan - 3 Feb, 2013) to engage with the many cruisers from across the country attending this gathering of trawlers. District 8 is supporting the USPS effort by offering a 16-hour course at their Trawler Fest University training plus our Radar, VHF/DSC, and Tides and Currents seminars during the days of the Fest activities. Other interesting and useful seminars are also included in the event agenda. Details of all events and registration options are found at

<http://www.passagemaker.com/events-series/trawler-fest-ft-lauderdale>. Other Trawler Fest locations are scheduled throughout the remainder of the year: in Anacortes, WA with District 16 support (14-19 May) and in Baltimore with D5 support. Contacts made during these events provide potential future Squadron students and members. Your help is important in spreading the information to our members and cruising companions/

organizations and that will make this event more successful for both organizations. Come join the fun and bring a fellow boater. Additional information is available from [ANEQ Bob Palmer](#).

CERTIFIED INSTRUCTORS SEO/DEO TOOL

A new tool to locate certified instructors with their certification expiration dates by squadron or district has been added to the [SEO/DEO Tools page](#). The SEO/DEO Tools web page is also accessible from the [SEO](#) and [DEO](#) home pages. The squadron display lists certified instructors in order of their certification expiration date. The district display is ordered by squadron and expiration date. Please check from time to time to be sure everyone stays certified.

D22 2013 CHANGE OF WATCH SCHEDULES

JANUARY		
4	Friday	Fort Myers Power Squadron
5	Saturday	St. Petersburg Sail & Power Squadron
6	Sunday	Tampa Power Squadron
11	Friday	Sarasota Power & Sail Squadron

27	Sunday	Clearwater Sail & Power Squadron
FEBRUARY		
2	Saturday	Lakeland Sail & Power Squadron
2	Saturday	Crystal River Sail & Power Squadron
8	Friday	Venice Sail & Power Squadron
9	Saturday	Manatee Sail & Power Squadron
13	Wednesday	Marco Island Sail & Power Squadron
17	Sunday	Naples Sail & Power Squadron
19	Tuesday	Sanibel-Captiva Sail & Power Squadron
22	Friday	Cape Coral Power Squadron
26	Tuesday	Peace River Sail & Power Squadron
MARCH		
1	Friday	Anclote Key Sail & Power Squadron
9	Saturday	Anna Maria Island Power Squadron

ADMINISTRATIVE OFFICER

D/Lt/C George J. Martin, SN

gjmarti@aol.com

The 2012 D-22 Fall Conference is over with 167 attendees out of almost 4000 members. The most popular Round Table was 'On Board Emergencies' with 51 attendees. All told, the effort put in by the individuals who donated their time and effort as Round Table Instructors is commendable and was recognized by the District Commander, Don Parrish, during the luncheon. Manatee Squadron lead for the Hospitality Hour, supported by St Petersburg and Clearwater was one of the many highlights of the conference. Also kudos go to the ten members who received USPS Certificates of Educational Achievement and are now referred to as Senior Navigators.

On 8-10 November, nineteen boats and 122 people from twelve Squadrons attended the 2012 D-22 C & R at Burnt Store. Good food, good friends, wild stories and great games were shared by all.

See you in Jacksonville at the National Conference.

DB2000 Advanced Training Seminar

Held in Sarasota

For all Interested USPS Members

Presented by District 22

Saturday, 23 February 2013

At the Sarasota Power & Sail
Squadron Building

2814 Hyde Park Street, Sarasota, FL
34239-3227

D/22 Fall Conference

D/22 Cruise & Rendezvous

Burnt Store Marina

The D22 C&R at Burnt Store Marina was a real "Circus". Sarasota, along with Peace River, San Carlos and Anna Maria Squadrons managed to create an entertaining and magical weekend. A total of 12 squadrons participated in the weekend events. Burnt Store Marina was perfect with its location on beautiful Charlotte Harbor.

33 Sarasota members worked very hard beginning with the total event organization, securing slips for all boats (19 boats and a total of 37 people aboard), planning the delicious banquets and making sure everyone had fun. On Friday evening, there were clowns everywhere. 48 people participated in the Circus Parade and prizes were awarded for the top three. Visiting Clown, Miss Magic from Sunnyside Jesters visited and surprised us with her "pocket magic".

Lots of us took part in the games which were put on by Peace River who organized 10 games. Peace River, San Carlos and Anna Maria Squadrons had a total of 39 people assisting. Saturday's events were well attended and a lot of fun. There was a slight mishap with a rubber dinghy which no longer floats but I'm not mentioning any names.

I was so proud to be part of the 2012 D22 C&R and to have helped make it such a memorable one.

Cdr Susan Lomastro, AP
Sarasota Power & Sail Squadron

AWARDS, CERTIFICATES AND TROPHIES PRESENTED AT THE FALL CONFERENCE

AWARDS AND ALL CERTIFICATES PRESENTED DURING THE LUNCHEON

Commanders Special Certificates:

Awarded to those individuals who have donated their time and effort as Round Table Instructors.
