Elevate Your Skills

Our Hands-On Training: Basic Powerboat is a skill-based training program that covers the essential techniques of powerboat operation. This program was developed under a grant from the U. S. Coast Guard and incorporates the National On-Water Standards for powerboat operation. We use a blended learning strategy to combine classroom training with hands-on practice in small groups. If you are new to boating, we’ll help you acquire the skills needed to be confident and safe. If you have years of experience, we will show you new techniques and increase your understanding.

For a limited time, this training course is only \$99! That’s a 50% discount!
